The Honorable Rosa DeLauro

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Belfast Police Department Project in Fiscal Year 2024. The entity to receive funding for this project is the City of Belfast, located at 131 Church Street, Belfast, ME 04915. The funding would be used to provide necessary equipment to the City of Belfast's Police Department. The major portion of the equipment being requested is for the outfitting of a new Emergency Operations Center. The project is a community priority and a good use of taxpayer funds because it will provide the City of Belfast Police Department with correct and current equipment that will enhance the department's operational capacity and effectiveness.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jared F. Golden
Member of Congress
